

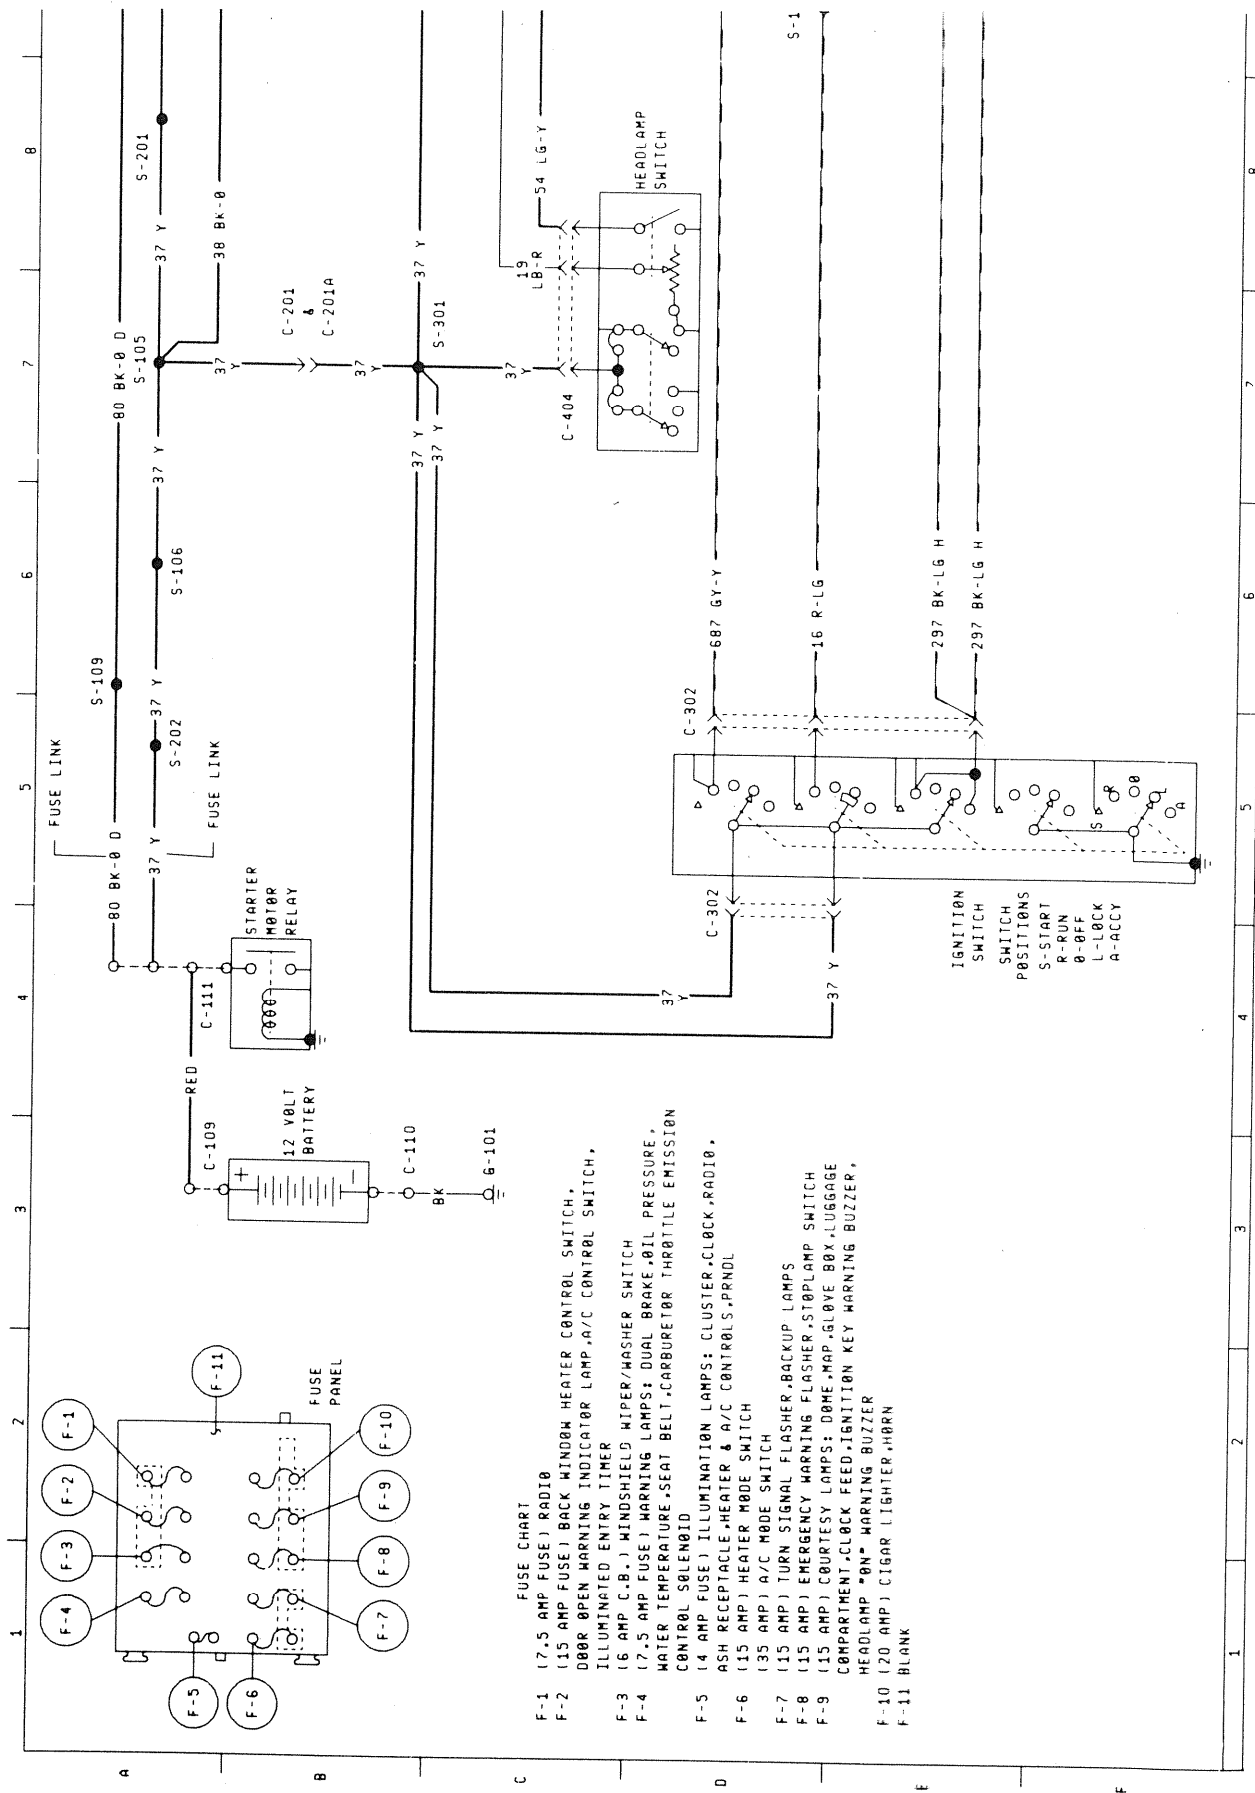

Fig. 13.140 Wiring diagram, 1978 models: power distribution circuits. For color code see page 280

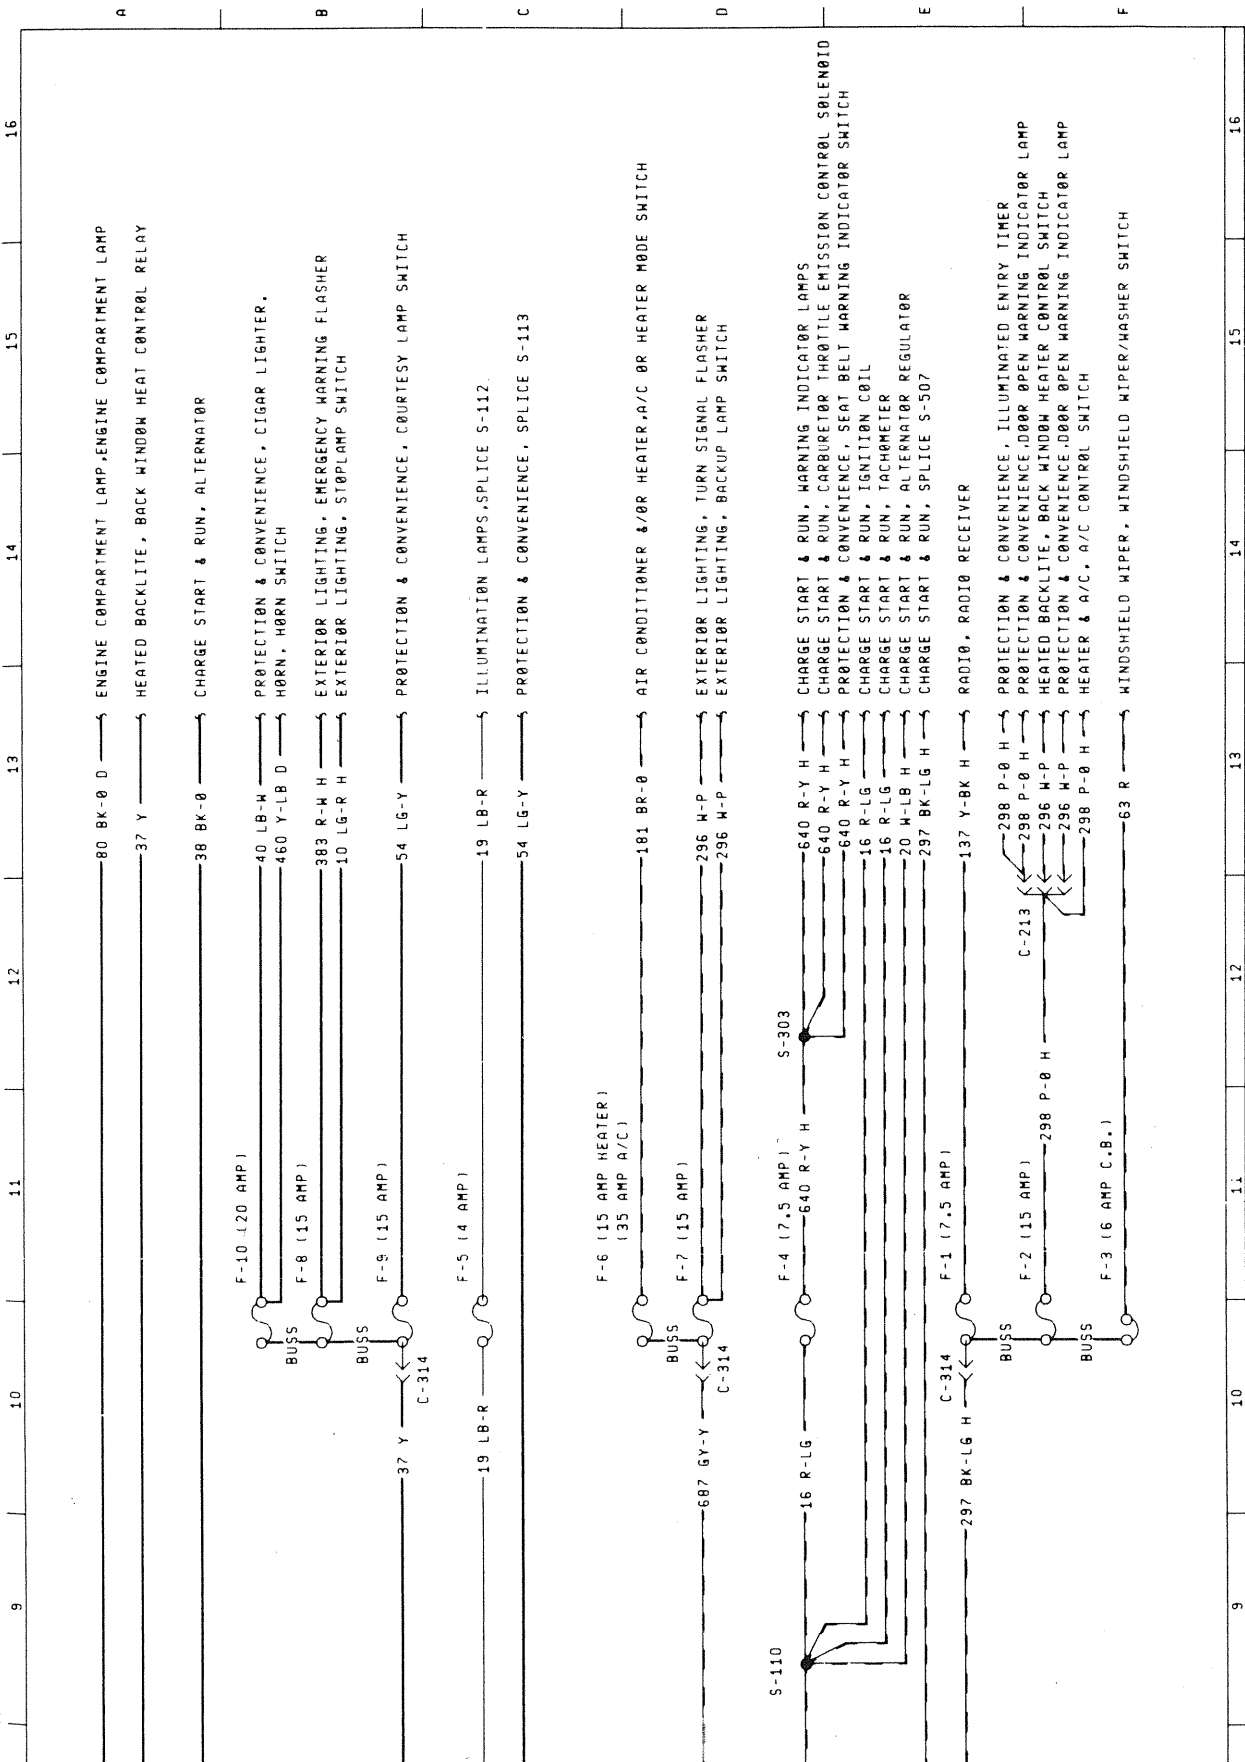

Fig. 13.140 (Cont'd) Wiring diagram, 1978 models: power distribution circuits. For color code see page 280

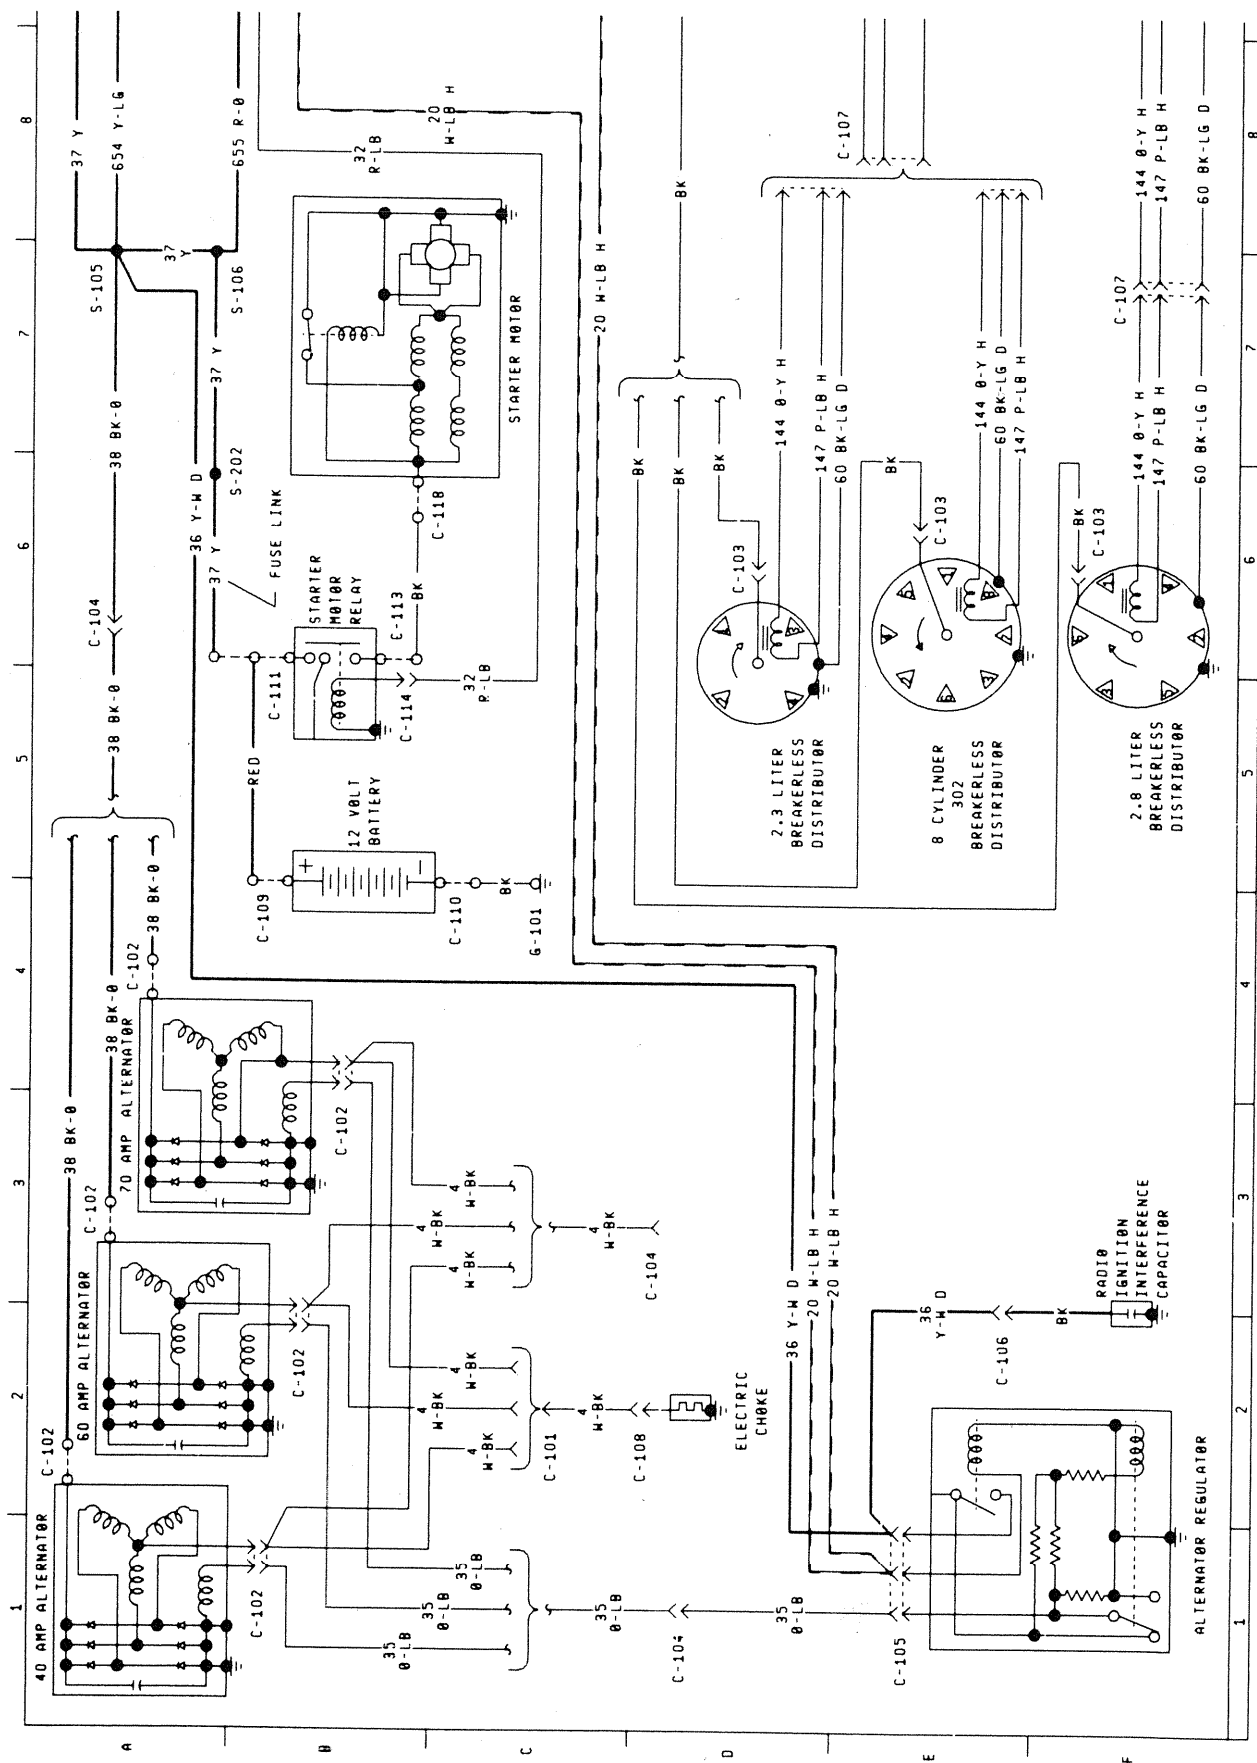

Fig. 13.141 Wiring diagram, 1978 models: charge, start and run circuits. For color code see page 280

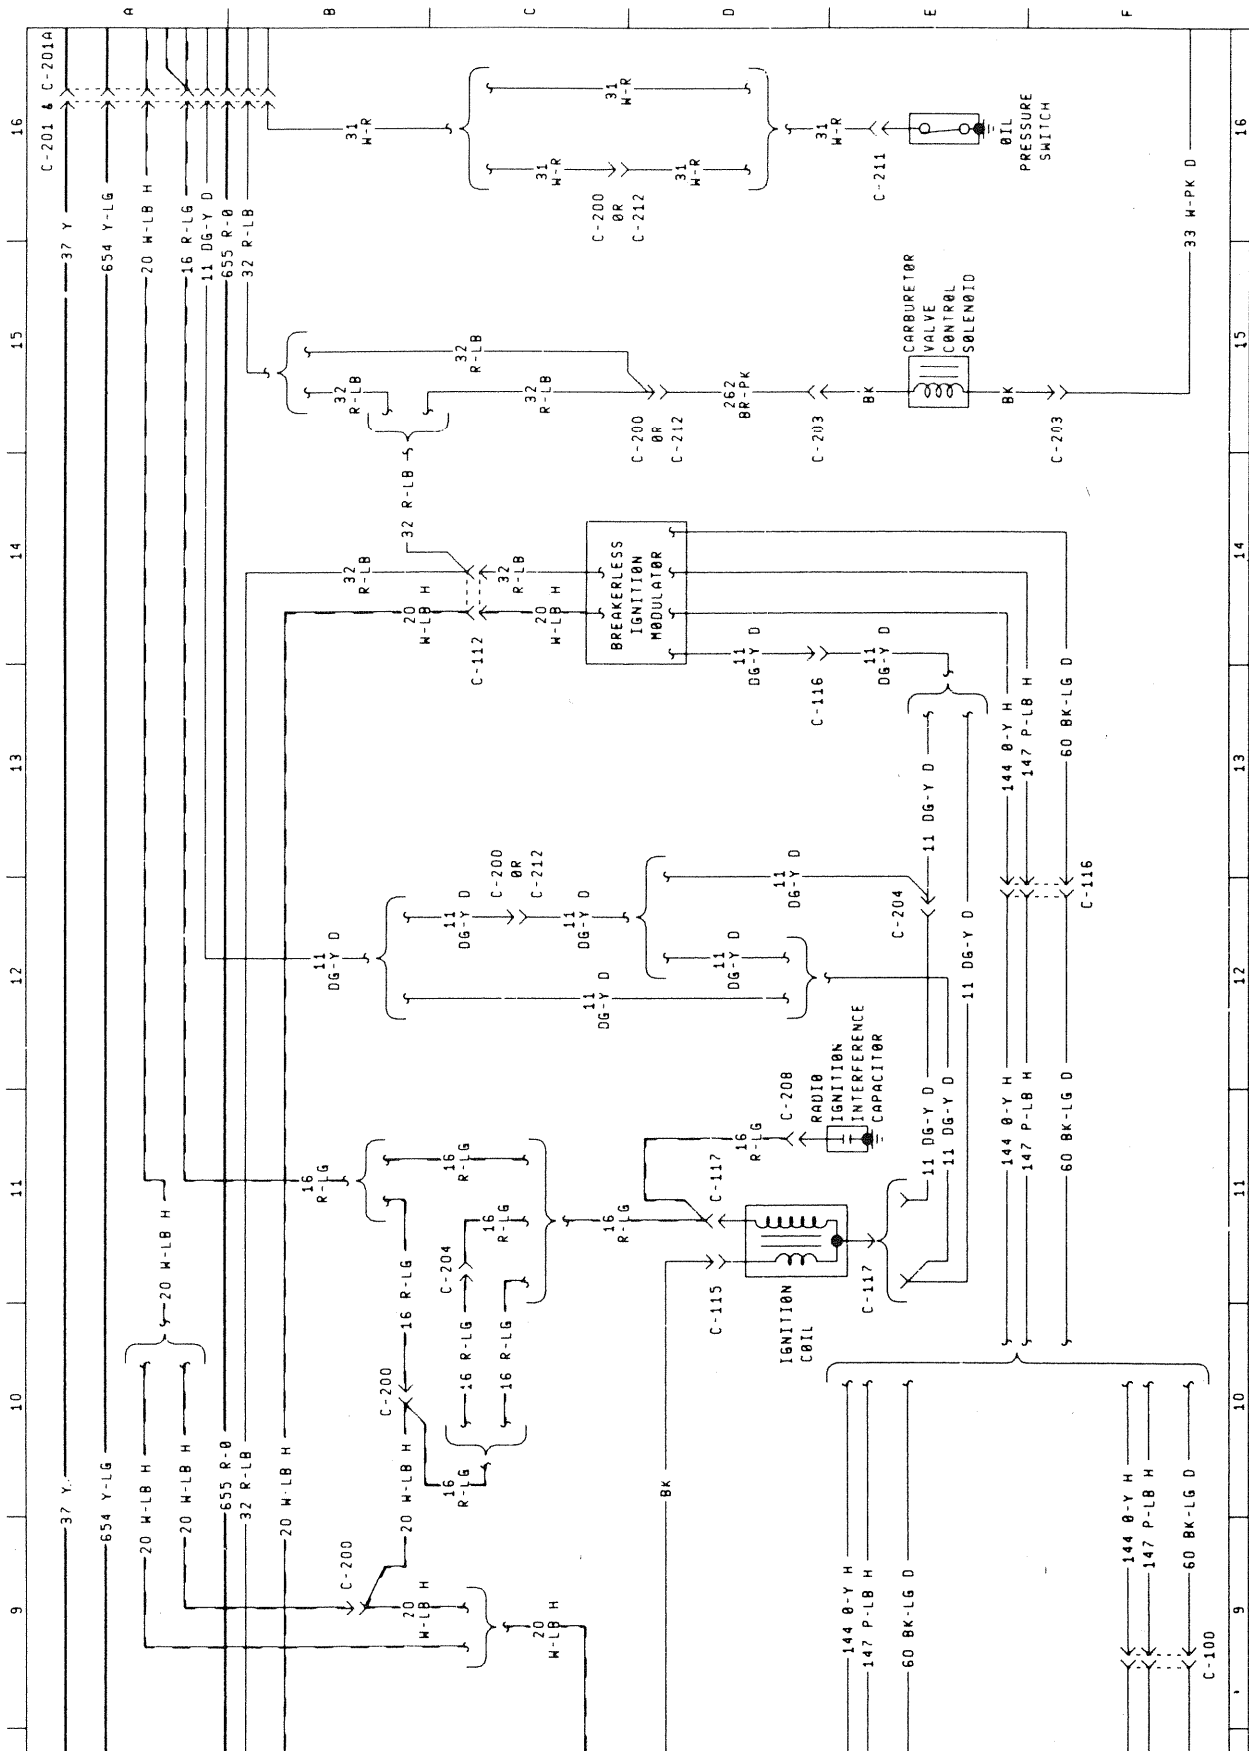

Fig. 13.141 (Cont'd) Wiring diagram, 1978 models: charge, start and run circuits. For color code see page 280

Fig. 13.141 (Cont'd) Wiring diagram, 1978 models: charge, start and run circuits. For color code see page 280

Fig. 13.141 (Cont'd) Wiring diagram, 1978 models: charge, start and run circuits. For color code see page 280

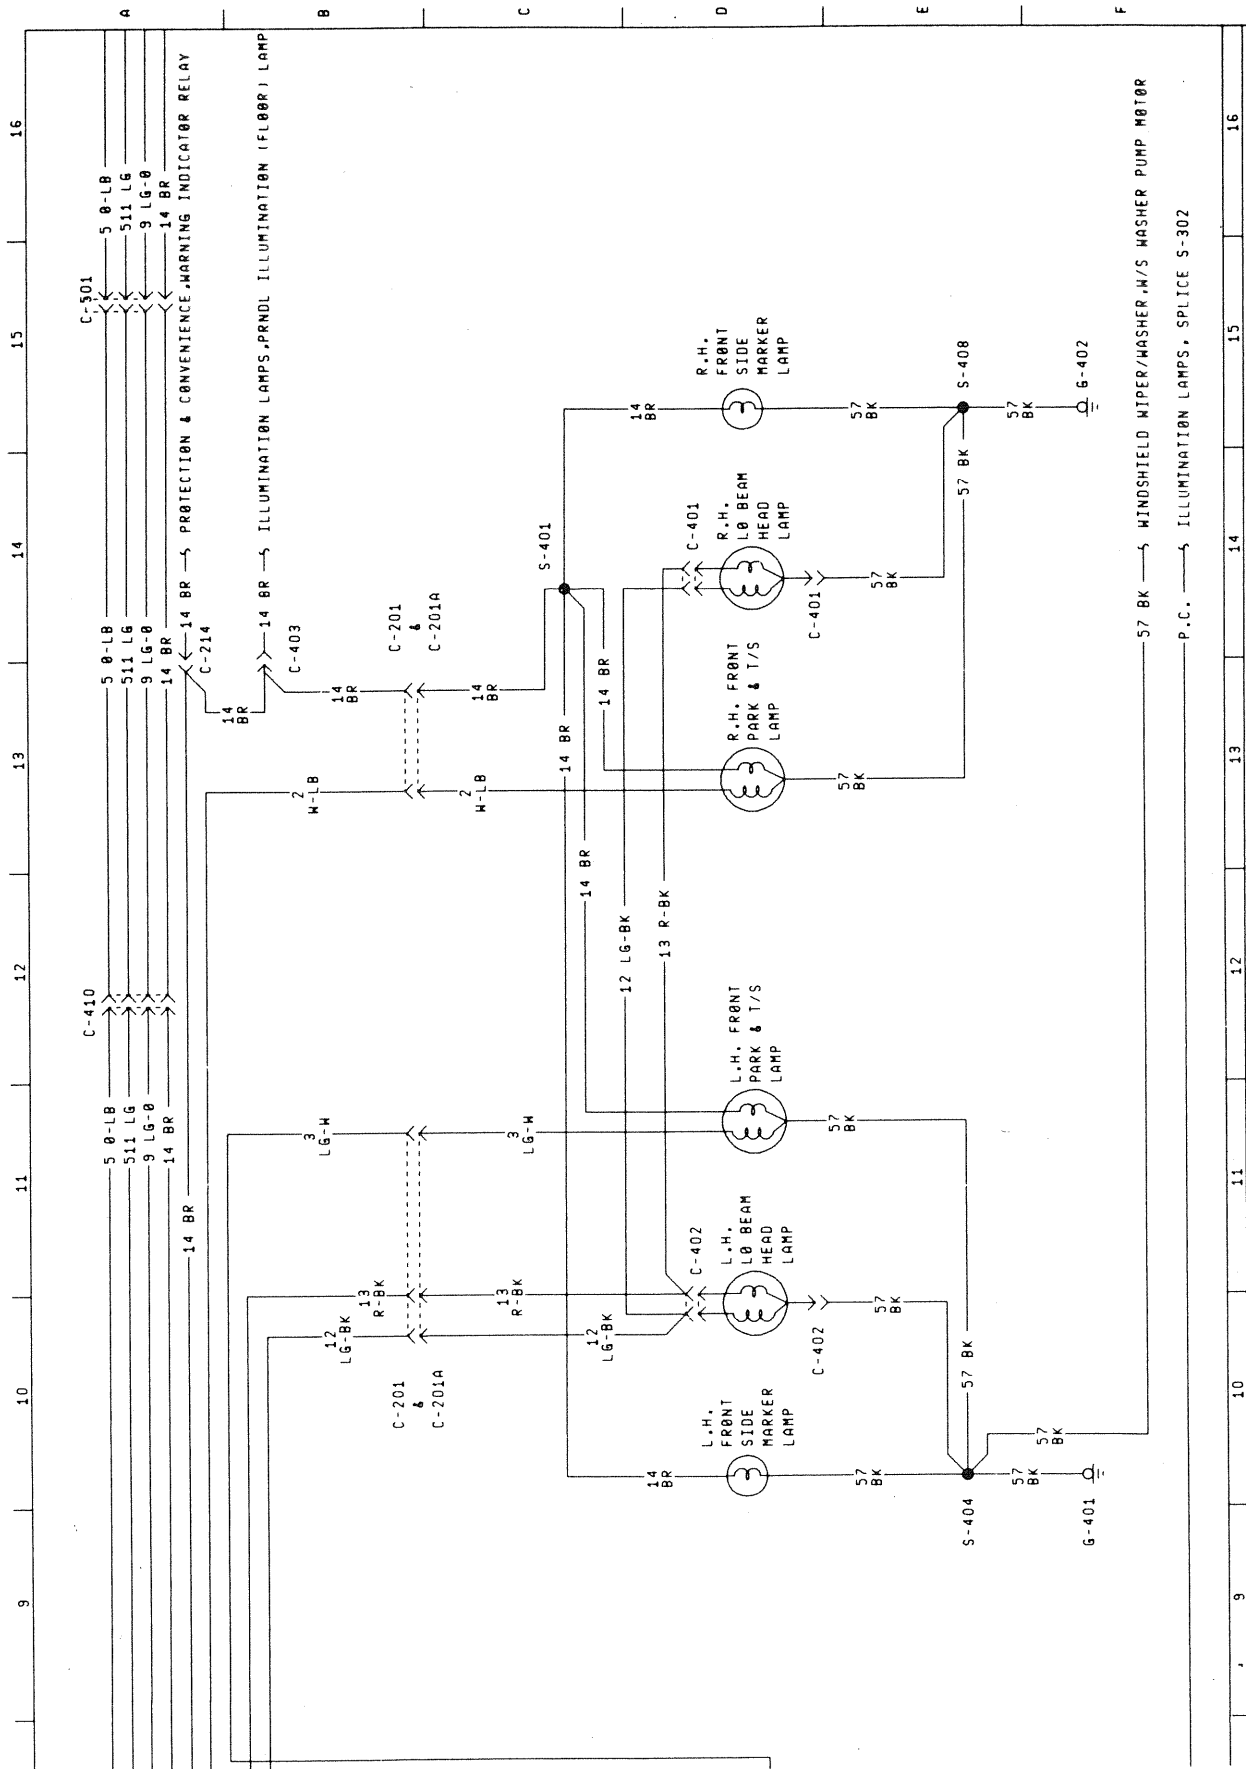

Fig. 13.142 Wiring diagram, 1978 models: exterior lighting circuits. For color code see page 280

Fig. 13.142 (Cont'd) Wiring diagram, 1978 models: exterior lighting circuits. For color code see page 280

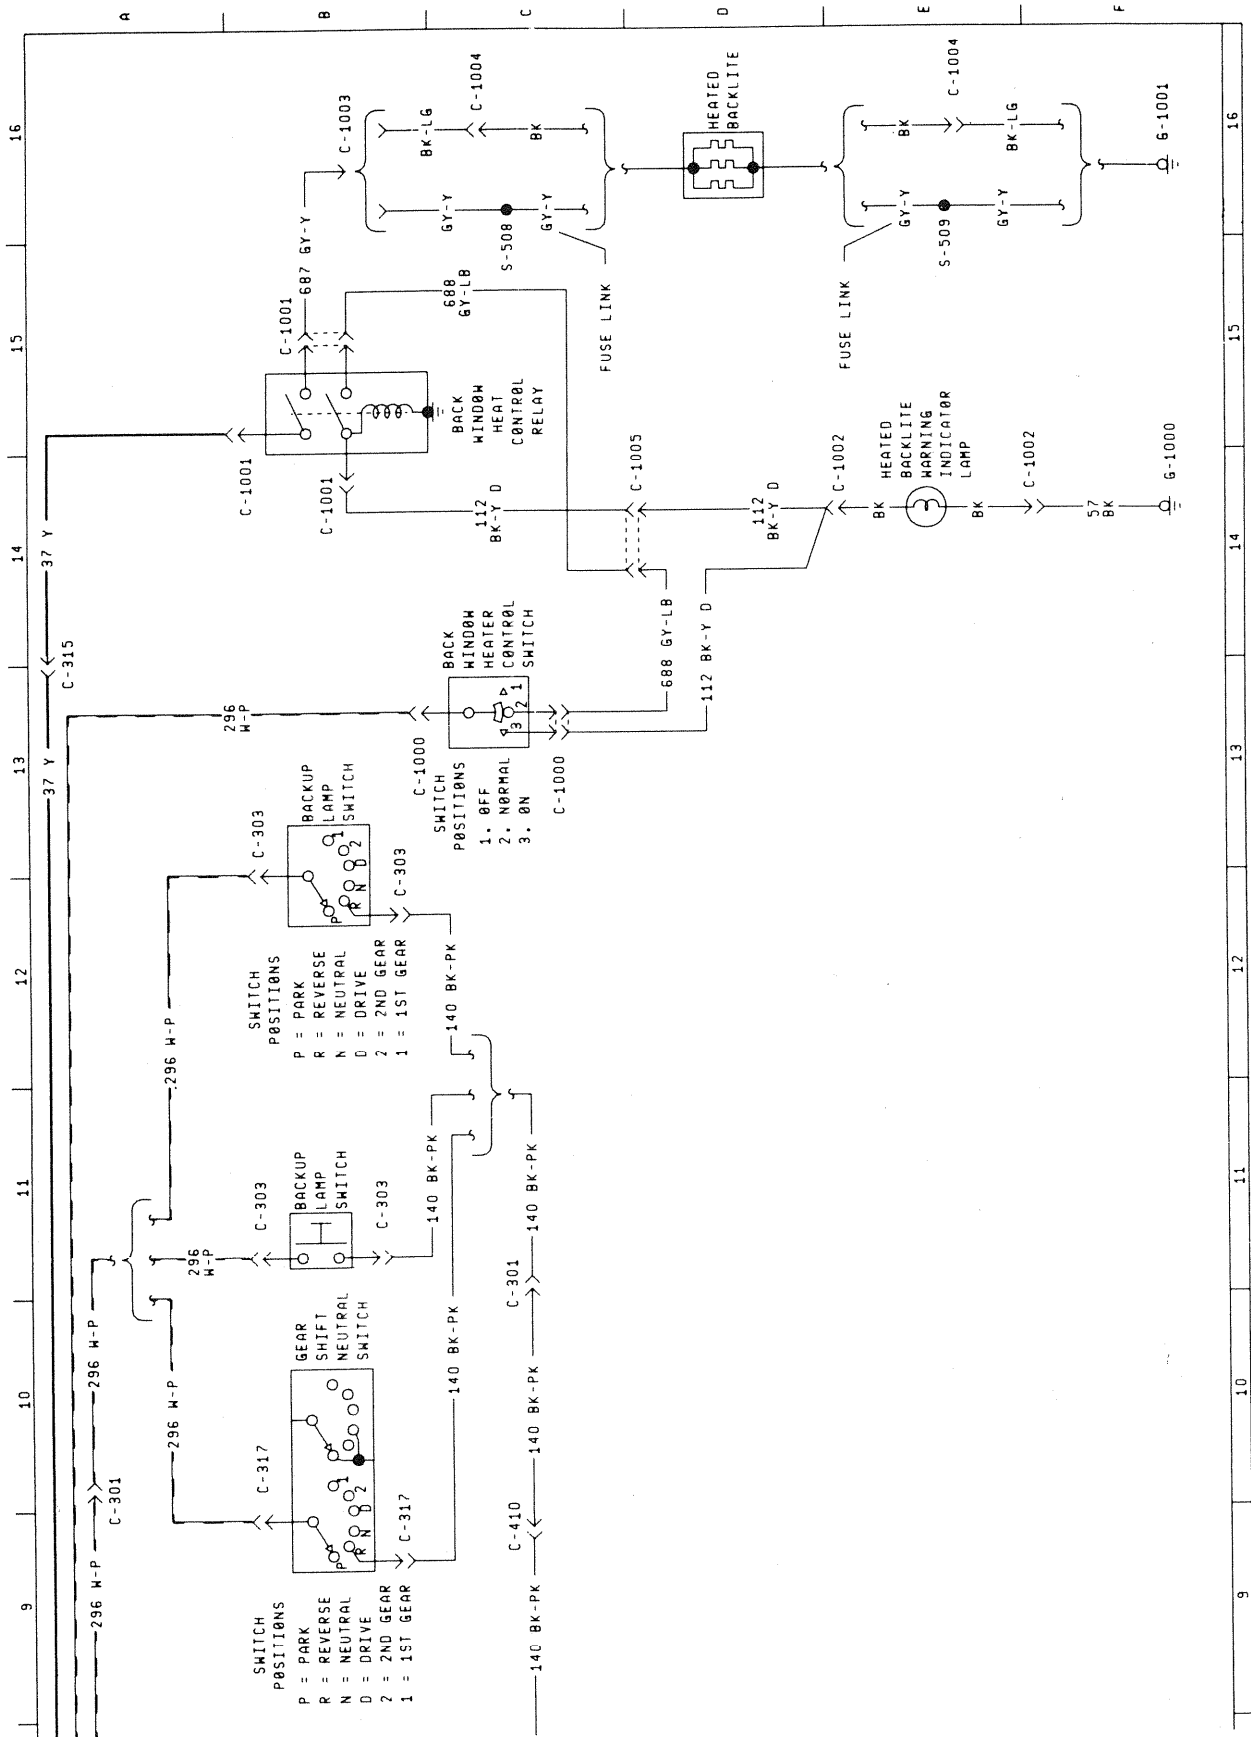

Fig. 13.142 (Cont'd) Wiring diagram, 1978 models: exterior lighting circuits. For color code see page 280

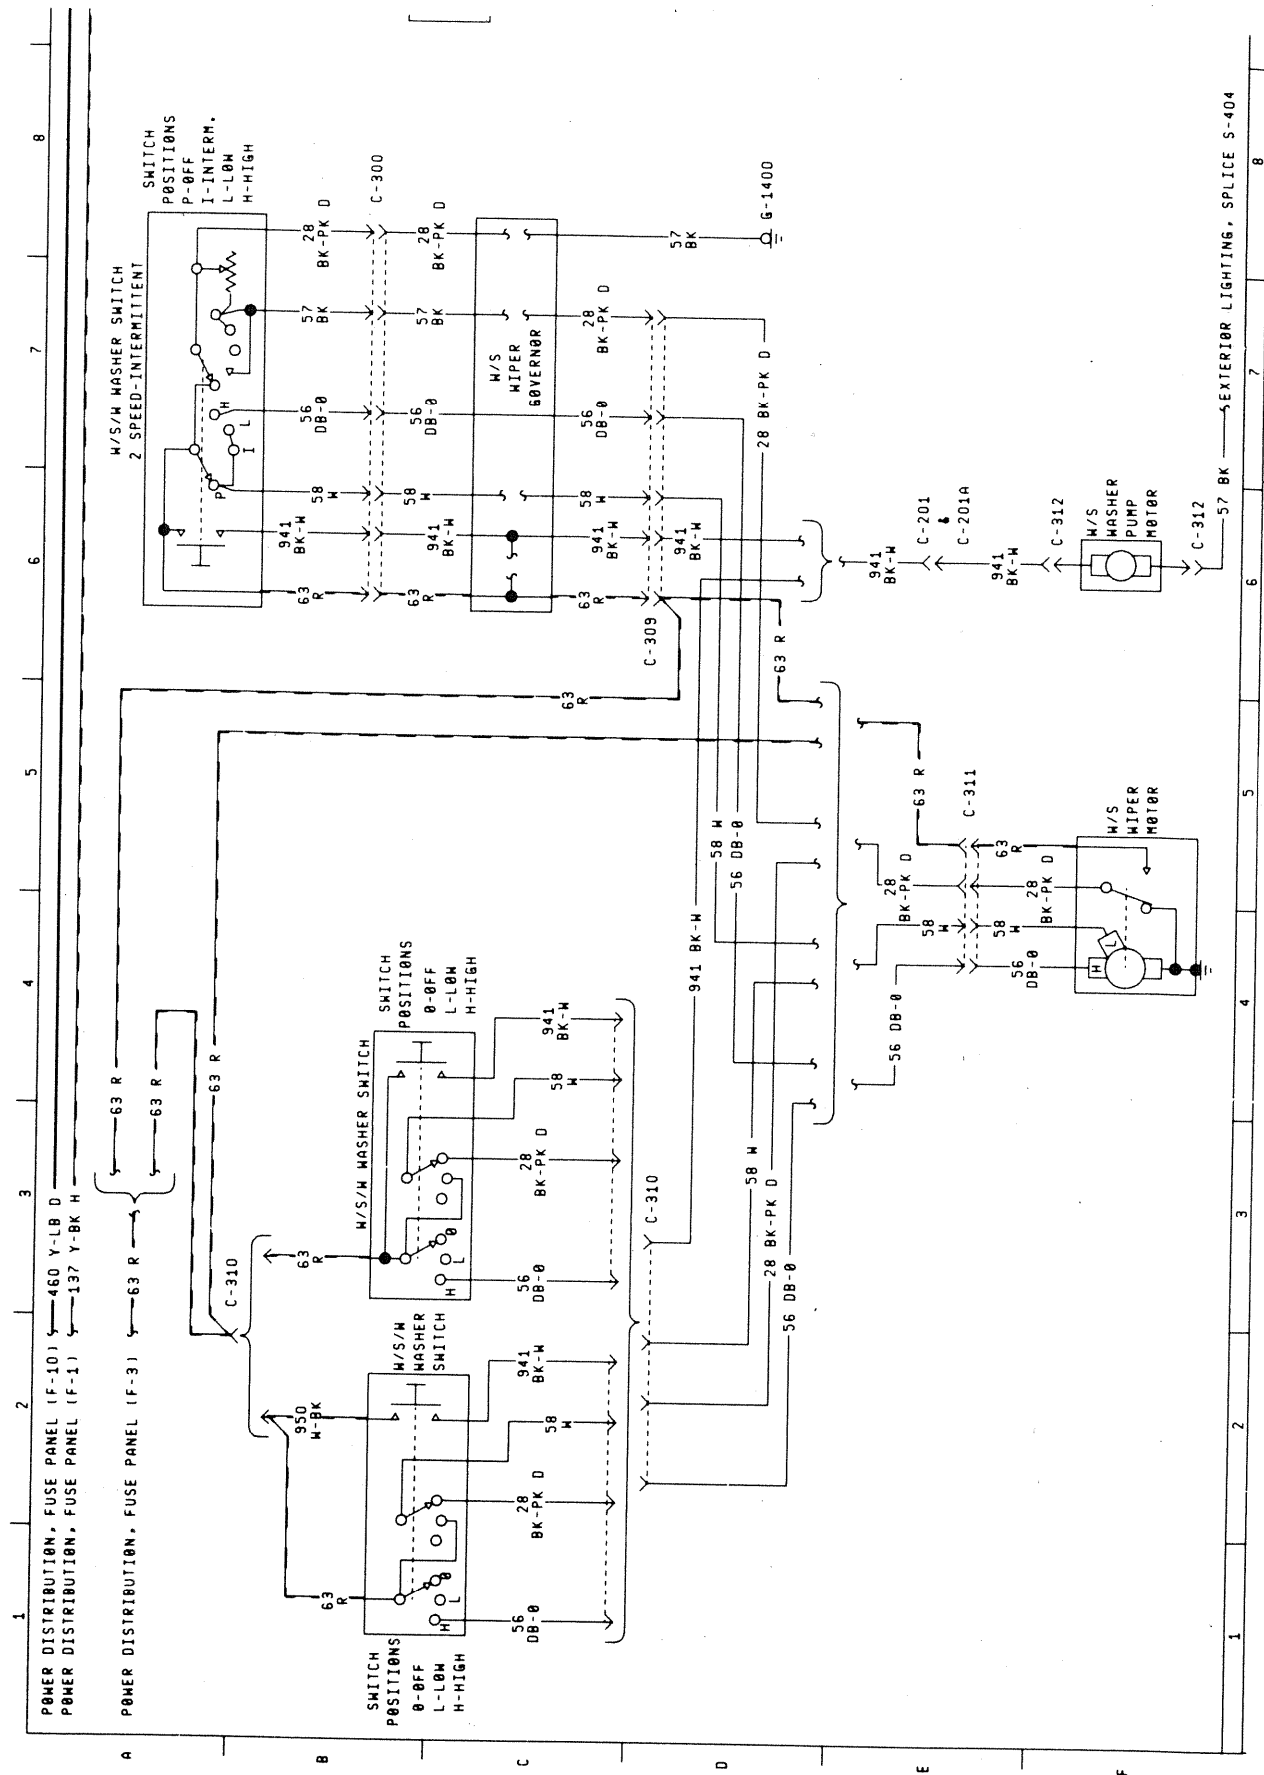

Fig. 13.143 Wiring diagram, 1978 models: windshield wash/wipe, radio and horn circuits. For color code see page 280

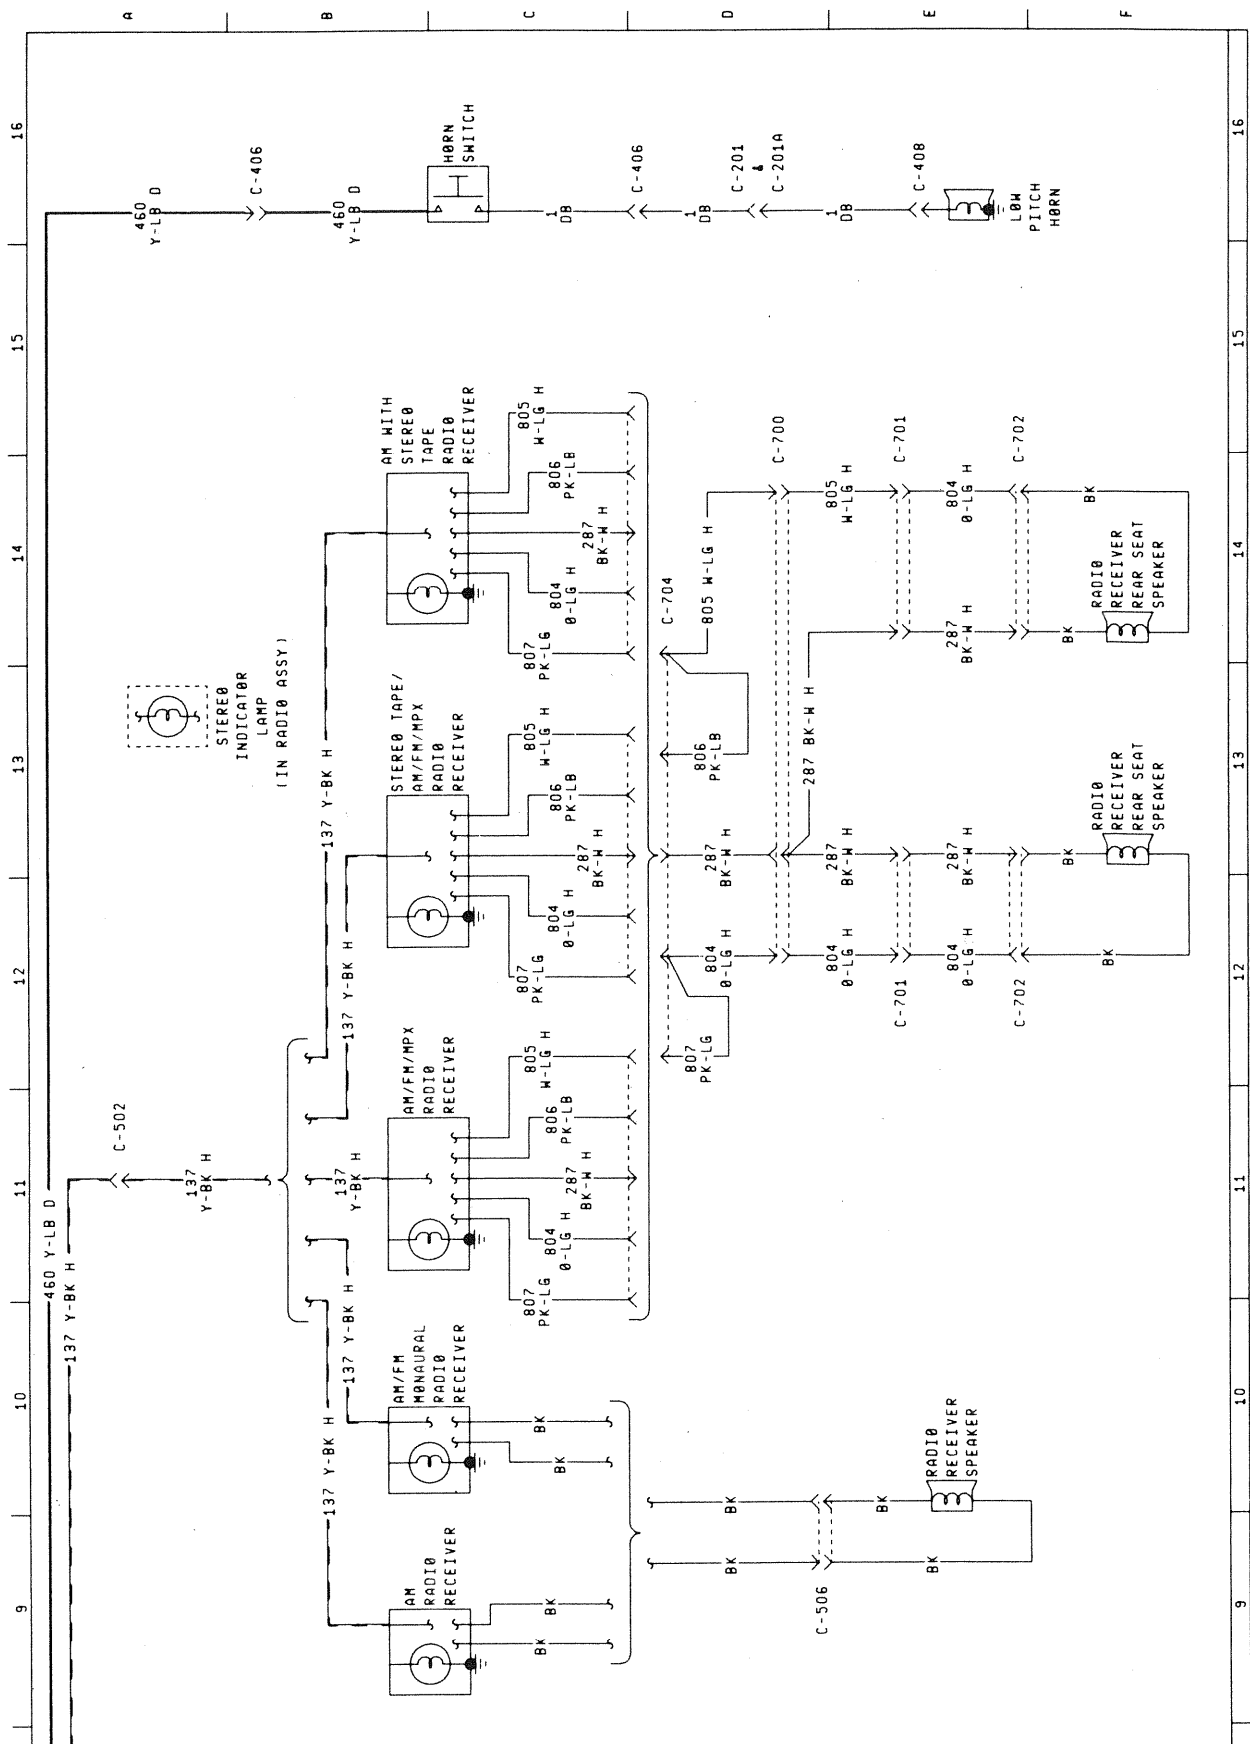

Fig. 13.143 (Cont'd) Wiring diagram, 1978 models: windshield wash/wipe, radio and horn circuits. For color code see page 280

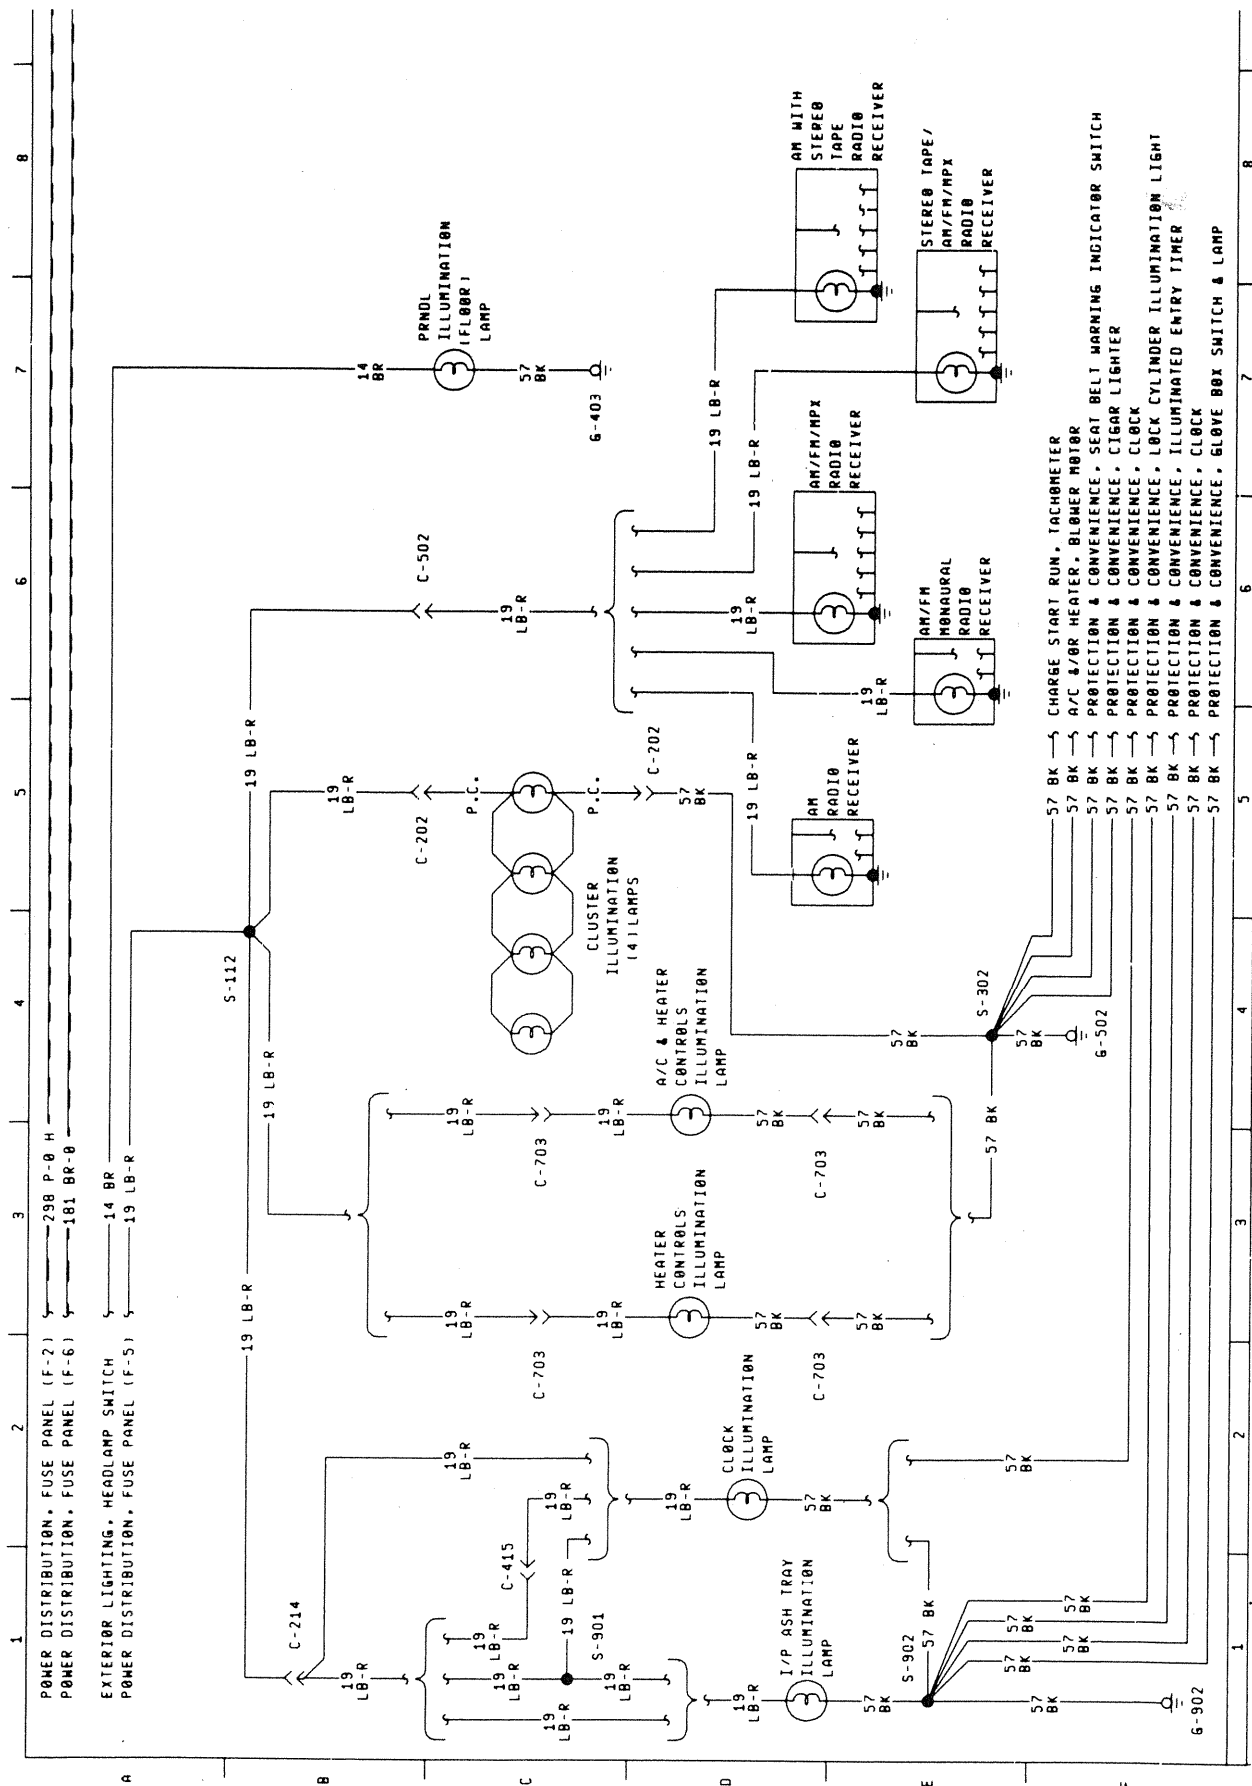

Fig. 13.144 Wiring diagram, 1978 models: illumination lamp, air conditioning or heater circuits. For color code see page 280

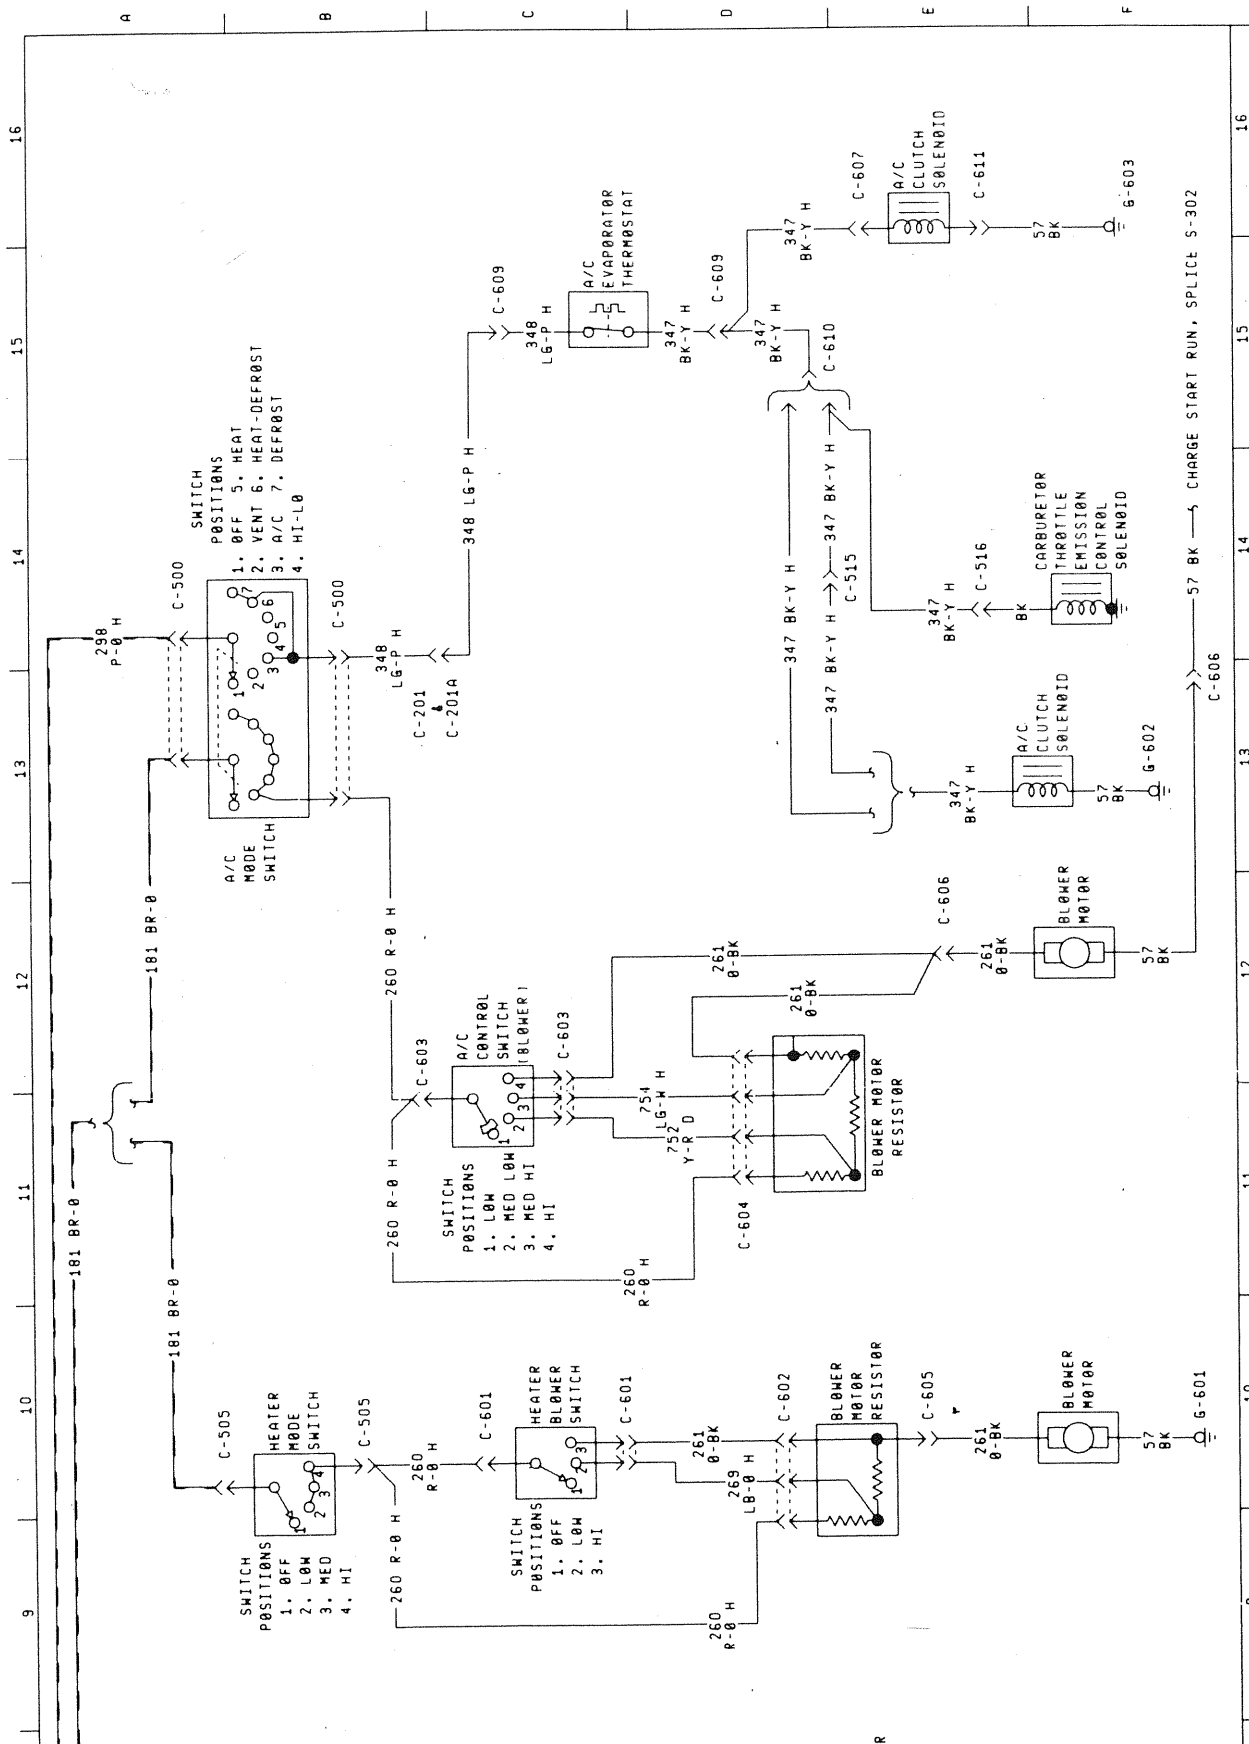

Fig. 13.144 (Cont'd) Wiring diagram, 1978 models: illumination lamp, air conditioning or heater circuits. For color code see page 280

Fig. 13.145 Wiring diagram, 1978 models: protection and convenience circuits. For color code see page 280

Fig. 13.145 (Cont'd) Wiring diagram, 1978 models: protection and convenience circuits. For color code see page 280

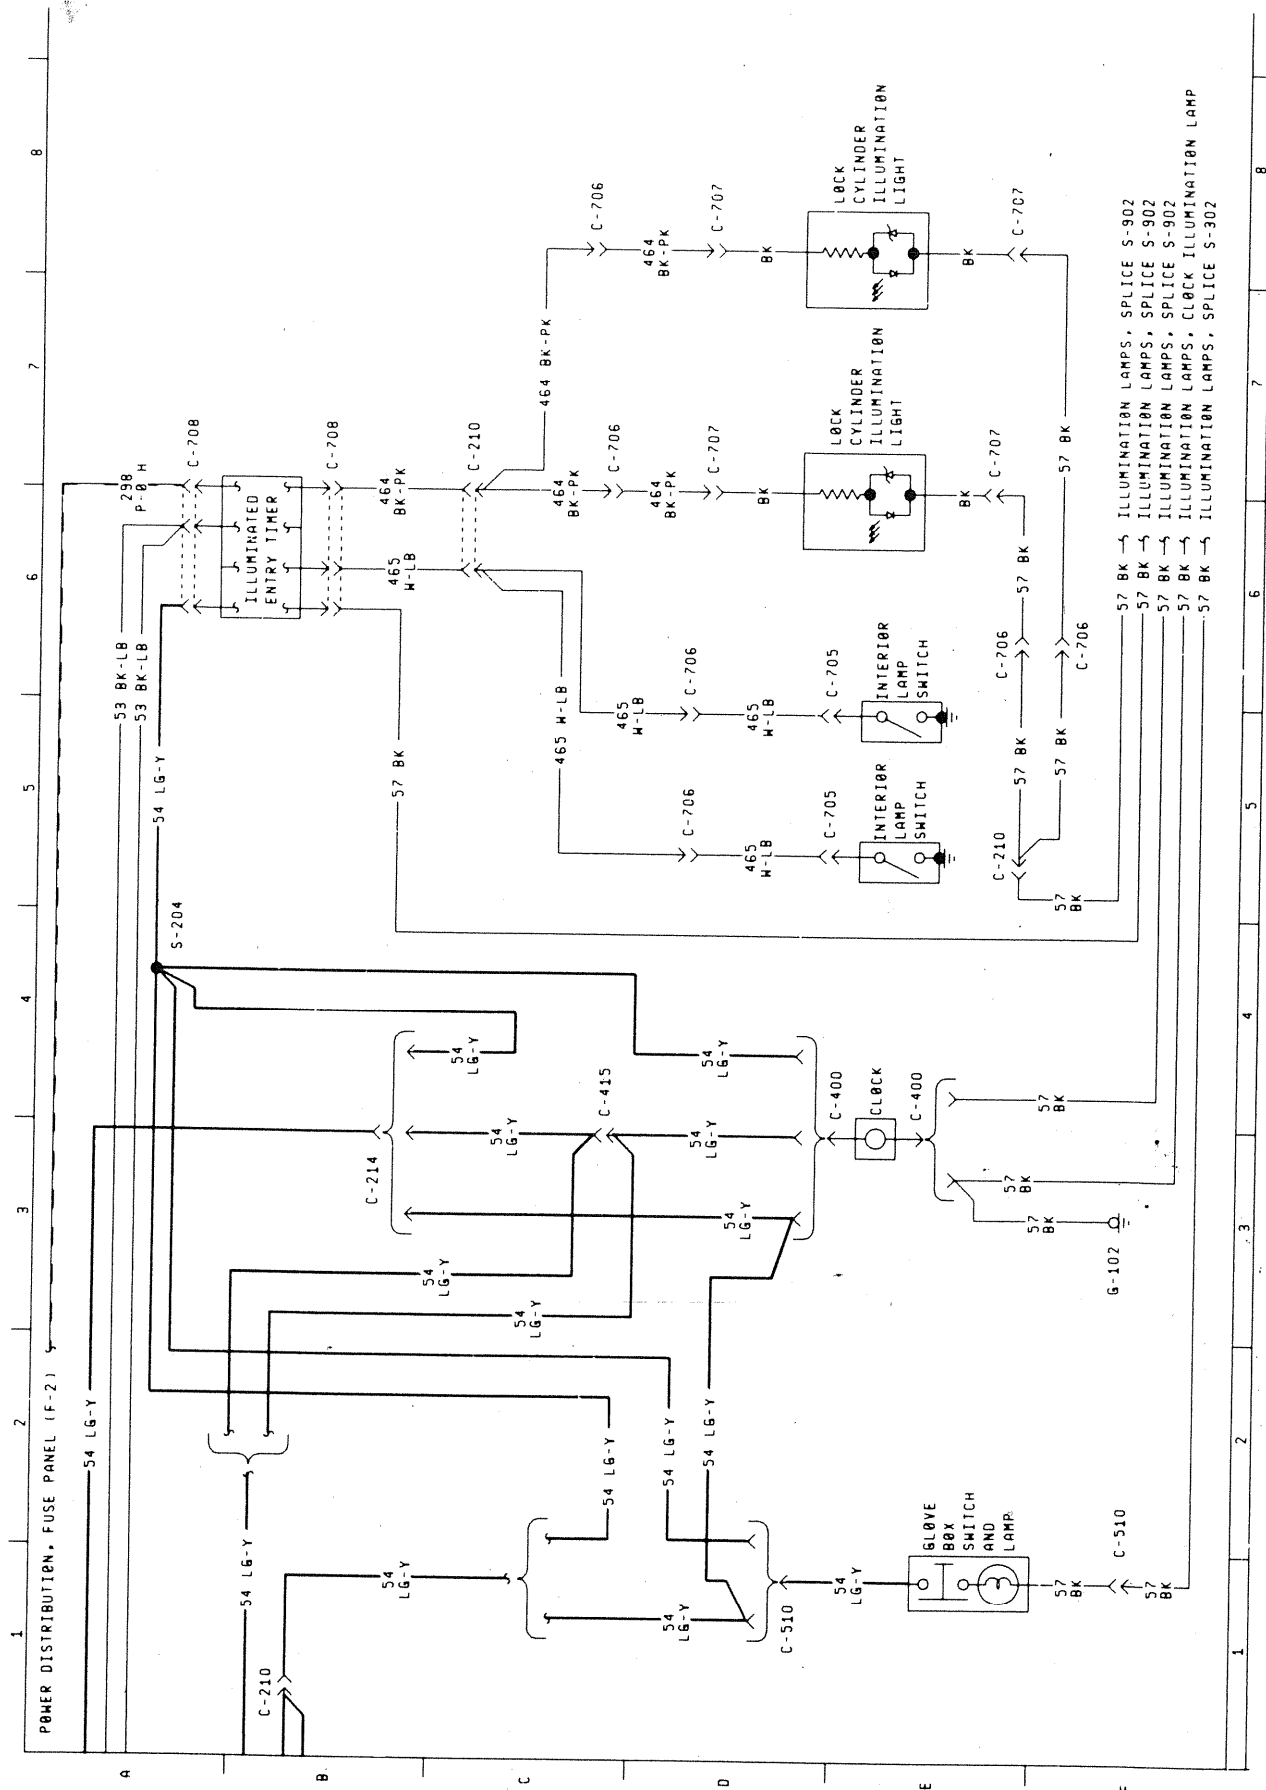

Fig. 13.145 (Cont'd) Wiring diagram, 1978 models: protection and convenience circuits. For color code see page 280
